pork. This soup is amazing. I say. You're welcome. they say happily.
They tell me I should stay a while. I politely decline. I say I would not
want to bother them. I ask where the nearest town is. They point north.
They give me some bread, cheese milk and 100 coin. and send me on
my way. I go through the dark forest and stumble upon a sword. The
sword of Dripdale. I try to pick it up. The game says I am under leveled.
